Extra Equip Medical

About Us

Founded in 2019, Khartoum, Sudan. Extra Equip medical company is ISO certified 9001 and 13485 April 2026, a specialized medical company dedicated to advancing the healthcare sector.

Extra Equip medical company is advancing the healthcare sector by providing cutting edge medical equipment and innovative solutions. We strive to equip hospitals and medical centers with the best technologies to enhance the quality of healthcare services.

In addition, we focus on training medical and administrative staff, helping to improve the efficiency of healthcare institutions and elevate the level of services provided. We are committed to global standards of quality and innovation to ensure that our products and services meet the needs of our clients and contribute to the sustainable development of the medical field.

Beyond medical technology, Extra Equip has expanded its portfolio to include the distribution of high-quality pharmaceutical products and advanced cosmetic solutions, ensuring a holistic approach to patient care and wellness.

Vision & Mission

→ Vision

To be the leading integrated healthcare partner in Sudan and the region, recognized for bridging the gap between advanced medical technology and community wellness through the reliable supply of equipment, essential medicines, and innovative care solutions.

→ Mission

Our mission is to empower healthcare providers by delivering high-quality medical equipment, life-saving pharmaceuticals, and premium aesthetic solutions. We are committed to:

- Excellence: Adhering to global standards in every product we supply.
- Support: Providing expert technical maintenance and professional administrative training.
- Accessibility: Ensuring the consistent availability of essential medications and medical consumables across Sudan.
- Innovation: Continuously updating our portfolio with the latest medical and cosmeceutical advancements to improve the quality of life for our patients.

Our Core Values

Integrity

We conduct our business with the highest ethical standards, ensuring honesty in our pricing, product sourcing, and partnerships.

Innovation

We stay at the forefront of the medical and cosmetic fields, bringing the latest technological and pharmaceutical advancements to the Sudanese market.

Commitment

We understand that in healthcare, timing is everything. We are committed to consistent supply chains and dependable technical support.

Collaboration

We believe in the power of partnership. We work closely with healthcare providers, NGOs, and international stakeholders to co-create solutions that address all needs.

Our Services

Medical & Technical Consulting

Expert guidance for health institutions management and setup.

Medical and administrative Training

Capacity building/online for healthcare and administrative staff training.

Maintenance & Technical Support

24/7 support for technical support and solutions.

Our Services

Pharmaceutical & Cosmeceuticals Supply

Distribution of essential medications and emergency drugs. Providing high-quality medical-grade cosmetics and skincare.

Medical Devices, Equipment & Consumables

Supply and installation of the most recent technology.

Why Choose Us

- **High Quality & Global Standards.**
- **Expertise & Efficiency.**
- **Comprehensive Services.**
- **Client-Centric Approach**

- **Integrated Healthcare Solutions:** We offer a comprehensive "one-stop" supply chain, ranging from advanced medical diagnostic equipment and life-saving pharmaceuticals to premium cosmeceutical products.
- **Uncompromising Quality Standards:** Every product we supply—whether a surgical tool, an essential medicine, or a dermatological treatment—undergoes rigorous quality control to meet both local and global healthcare regulations.
- **Reliability in Challenging Environments:** With a proven track record since 2019, we excel in maintaining consistent supply chains and providing 24/7 technical support, ensuring that healthcare providers never face downtime.
- **Partner-First Approach:** We prioritize Strategic Collaboration, working closely with NGOs and medical institutions to understand their specific needs and deliver tailored, cost-effective solutions.
- **Expertise & Training:** Beyond supply, we empower our partners through specialized medical administrative training and technical consulting to elevate the standard of care across Sudan.

Extra Equip Medical

Partnerships & Clients

Since 2019, we have proudly served a wide range of clients across Sudan, including major hospitals, private specialized clinics, and international humanitarian organizations. Our adaptability allows us to meet the large-scale needs of medical centers while providing tailored solutions for dermatology practices.
